Designed by divers for divers, the Nemo Power Tools submersible reciprocating saw is the world's first submersible waterproof electric saw, and engineered to provide the same level of performance at 50m/164ft underwater as it does on land. Weighing in at just 2.9kg/6.4lbs, this saw is powered by a reliable 18V Li-ion battery and features a variable speed trigger. Boasting up to 3,000 strokes per minute and a keyless blade clamp that allows you to change blades easily underwater, this reciprocating saw offers commercial divers the power and control they need.

Stroke length	1- 1/8 inch
Net weight	3.5 Kg
