

NEMO SPECIAL OPS DIVER DRILL - 100M

The world's first submersible cordless drill designed for commercial, scientific and research divers now reaches even greater depths of up to 100m. It allows users to complete a variety of tasks underwater, from tagging coral reefs for research to cleaning barnacles off of boats and yachts.

- Submersible up to 100m (328.08ft)
- Comes with two 18V 6Ah lithium-ion batteries
- Comes with water pressure balance kit for optimum control underwater
